BUILDING SAFETY CERTIFICATE

This is to certify that the School Building of the Rajkumari Sanatombi Devi Vidyalaya, Haotal, Pangei, Imphal East is fit enough and safe for school building. During the inspection it is found that the building was constructed as per the Designed plan. No hair crack or deformed is found in the building. Moreover class rooms are constructed as per standard specification of the CBSE and the building is provided sufficient Entrance/Exit for safety purposes. The construction was done as per the National Building Construction Norms.
